

2.0 QUALITY MANAGEMENT SYSTEM POLICY

THE MUNICIPALITY OF GREY HIGHLANDS

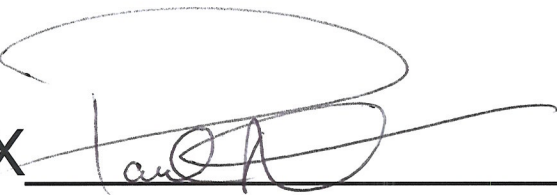

Drinking Water Quality Management Policy

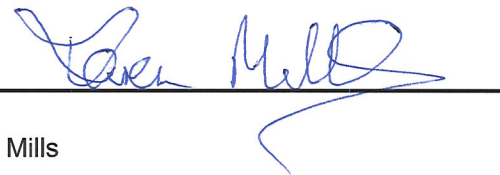

The Municipality of Grey Highlands owns, maintains and operates two water systems. The Markdale Water System is one system. The Kimberly-Amik-Talisman Water System is the other system. The Municipality of Grey Highlands is committed on both systems to:

1. providing a consistent, safe and clean supply of drinking water.
2. maintaining and continually improving the Quality Management System.
3. complying with applicable legislation and regulations.

It is in the best interest and betterment of The Municipality of Grey Highlands for all parties to protect, conserve and take pride in our safe drinking water. Commitment to this valuable resource must come from the Owner and Top Management.
