Recommendation to bring forward amended draft by-law for Council consideration.

That Council direct staff to bring forward the draft Discharge of Firearms by-law for Council consideration as amended by fixing the Municipal boundary line in Schedule K and as indicated in the above resolutions.

BACKGROUND AND ANALYSIS:

The review of the draft discharge of firearms by-law has been going on off and on since 2017. In early 2018 a draft was prepared and presented to the Council of the day. This draft was deferred pending consultation from agencies and residents and a peer review. The CAO of the day requested that the item be put on hold during the election year and subsequent new Council training in early 2019.

Based on comments received from the initial draft, an update to the draft by-law was prepared in 2020 and circulated to the Senior Management Team, Conservation Authorities, Grey County and School Boards requesting comments.

Agency comments were received that prompted the further amendments to the draft by-law.

Some of the comments received by members of the public and agencies since the initial was created include:

- Exemptions for culling of fish at Lake Eugenia - A. Avis
- Exemptions for larger properties within the shaded areas of the schedules - M. Foley
- Banning firearm discharge on lake Eugenia - G. Gingras
- Banning firearm discharge on Lake Eugenia - P. Gingras
- Inquiry on culling dates applicable to Lake Eugenia - S. Halliday
- Goose and Duck hunting from reeds - N. Matthews
- County owned forests permit hunting. Need to reference this and ensure allowance continues. Supportive of wording on, over or across in relation to CP Rail Trail - S. Johnson, Grey County
- GSCA Permits hunting on much of their land and would like to continue - T. Lanthier, GSCA
- OPG does not allow firearms or discharge of firearms on its property. Request definition of OPG to be added, and exemption for destroying related to damage of property - T. Laurenson, OPG

Consultation and research has been on-going and there have been regular discussions amongst staff based on the research obtained. Staff have recently reached out to the Ontario Federation of Anglers and Hunters President Brian McRae who provided a review and comments on the newly drafted version. OPG representatives also provided some concerns with mapping but were overall happy with the draft presented in August of this year.

Staff updated the schedules and made further amendments to the draft in 2021 addressing comments received and placed the new draft of the by-law for public comment in Summer of 2022 with a Public Information Session held virtually on August 24, 2022.

Notice of the Public Information Session was posted on the Municipal Website, meeting calendar, a minimum of 3 social media posts and was in 2 "what's happening" advertisements in the local newspaper. Notice was also emailed to all those who had provided initial emailed comments on the initial draft.

The Public Information Session had 21 people in virtual attendance and 8 concurrent live viewers on the YouTube page during the meeting.

Written and verbal comments received on the most current version of the by-law prior to the Public Information Session included:

- Section 4L should include the ability for training or target practice - G. Hedges
- Inclusion of Conservation Authority lands where hunting is permitted in section 3 where referencing "not including county owned or crown owned lands" - GSCA
- Fix the shading for Eugenia lake in Schedule C and the addition of express permission of property owners in 4H - OPG
- General opposition statements without context - J. Meyers, S. Van Holstein, S. Thompson
- General approval without context - P. Gingras
- Snowmobile trails on private property, municipal boundary lines on Schedule K. - unknown

Verbal Comments received at the Public Information Session included:

- Concerns with dangerous wildlife in settlement areas being able to be controlled - S. Wickens
- Clearer Boundaries in the schedules and inquiry on who owns the other lakes besides Eugenia - G. Hedges
- Requesting clarity on whether an "agent of the Municipality" could go on a persons private property in relation to s. 4B - C. Winger
- Inquiry on why the by-law was being brought forward. - H. Elchuk
- What are the next steps. - P. Gingras
- Approval timing with some members of Council not returning, what is the need for by-law although much is already included in legislation, killing rabid animals in settlement areas, ability to practice target shooting with bows and pellet guns in settlement areas. - J. Meyers.

This draft attempts to balance hunting and recreation as legal activities with the real and perceived public safety concerns surrounding the discharge of firearms within Grey Highlands, however there were some concerns and questions raised to the draft that require Council direction.

OPERATIONAL CONSIDERATIONS:

Staff have attached a marked up version of the draft by-law that was presented at the public information session indicating what the potential wording would be for each section below.

Staff are requesting Council direction on the following items:

1. Amending section 4L to include training in addition to target practice.
 - a. Staff believe this to be a non-issue for inclusion.
2. Amending Section 3b.ii. to include an exemption for the discharge of firearms on CA properties where hunting is permitted.
 - a. Staff have no issue with including this information as it is only for clarity purposes.
3. Adding full shading on Schedule C of OPG Lands.
 - a. Schedule C was delineating the settlement area of Eugenia and the lake is shown as a lighter shading due to the water, staff do not see any reason why the OPG lands could not be included in the shaded portion, however it is not necessary as there is a clear prohibition for hunting in 3b 6 on Eugenia Lake.
4. Requiring property owner permission in 4h.
 - a. Staff see no concern with including this.
5. Including an exemption for property owners to control dangerous wildlife in any area. ([Harass, capture or kill a wild animal damaging private property | ontario.ca](http://Harass_capture_or_kill_a_wild_animal_damaging_private_property_|ontario.ca))
 - a. Upon review of the following legislation, it is deemed permissible in provincial legislation for property owners to kill a wild animal damaging private property, thus an exemption to that effect is warranted.
6. Provide direction for hunting Migratory Birds on lakes other than Eugenia Lake.
 - a. Staff have not done any research on the recreational use of of Irish Lake, Brewster's Lake, or Wilcox lake and whether there could be a perceived conflict with waterfowl or migratory bird hunting in those areas. Should Council wish to permit the discharge of firearms on those lakes, an exemption would be required to be included in the by-law related to licensed hunting at those locations within the appropriate seasons.
7. Adding property owner permission in 4B.
 - a. Staff do not see any issue with including this as the legislation for licensed trappers and hunters does require property owner permission.
8. Providing an exemption for target practice with specific firearms such as Bow and arrow and air-soft guns on any private property regardless of location and/or size.
 - a. staff understand the want for those living in demi-urban and/or urban areas to be able to practice their outdoors sporting skills on their own property. Bow and Arrow target shooting should be of no nuisance to neighbouring properties, however pellet guns etc may be startling to neighbours, children and pets in the area. Should Council wish to provide such an exemption, it should state "with owner permission where the discharge does not travel across any other property line" and specify which firearms are exempt*.

Staff have broken out each of the considerations as separate recommendations for Council direction to be clearly provided prior to bringing back the final version for Council consideration.

If the by-law is approved, Staff will submit the by-law and Provincial Offences Act fine schedule to the Ministry for approval. The Ministry has the ability to either raise or lower the proposed fine schedule. The proposed fines as indicated are set at \$400. Should Council wish to provide an alternate amount to be submitted to the Ministry, an additional recommendation would be required "That Council direct staff to amend the fine schedule for all infractions to have a set fine amount of \$XXX.XX."

BY-LAW NUMBER 2022-xxx DRAFT

**A By-law to prohibit the discharge of firearms and all such weapons
in certain parts of the Municipality of Grey Highlands**

WHEREAS Section 119 of the Municipal Act, 2001 S.O. 2001, c.25
authorizes a local municipality for the purpose of public safety to prohibit or
regulate the discharge of firearms; and

NOW THEREFORE the Municipal Council of the Corporation of the
Municipality of Grey Highlands enacts as follows:

1. DEFINITIONS

In this by-law:

“farmer” means a person whose occupation is farming on land that he or
she is entitled to occupy, and,

- who has livestock or poultry on the land;
- who is tilling or cultivating the land for crops; or
- who is engaging in arboriculture or horticulture for commercial
purposes;

2. INTERPRETATION

This by-law includes Schedules “A” to “O” annexed hereto, and the annexed
Schedules are hereby declared to form part of this by-law.

It is also declared that if any section, subsection, part or parts thereof be
declared by any court of law to be bad, illegal or ultra vires, such section,
subsection, part or parts shall be deemed to be severable, and all parts
hereof are declared to be separate and independent and enacted as such.

3. REGULATIONS - DISCHARGE OF FIREARMS

3.1 No person shall discharge a firearm in any settlement area that is shown as a shaded area on any of the maps attached as Schedules "A" to "O" inclusive.

3.1 a) Despite section 3.1, discharging a firearm for hunting or target practice on any private property within the shaded areas shall be permitted on properties with a size greater than 1 acre, with owner permission, and where the discharge does not travel across any property lines.

3.2 No person shall discharge a firearm:

- a) on, over, or across any highway used for public vehicular traffic;
- b) on, over or across any public Grey Highlands owned land within the Municipality including parks, cemeteries, and recreational areas and trails whether marked or unmarked, but not including, any unopened forested road allowance, County owned forest lands or crown owned forest lands; and
- c) on, over or across any place of worship, public hall or school property;
