How do you recycle your electronics?

Bring your unwanted and old electronics to your Municipal Waste Disposal Site. There will be an e-waste collection bin at the site for you to deposit your electronics for **FREE!** Ontario Electronic Stewardship will collect these bins when they get full and bring them to their E-Waste processors where they will be safely recycled!

Ontario Electronic Stewardship

OES is a non-profit organization working to remove hazardous electronic waste from the landfills in Ontario. OES has set up a network of more than 600 approved collection sites within Ontario.

WHY?

The reason is simple- to recover what can be used again, and safely manage hazardous materials which should never go to the landfill.

TO DATE THE MUNICIPALITY HAS RECYCLED 11,020 LB OF ELECTRONIC WASTE IN 2011
